Dedication

"Lives of great men all remind us we can make our lives sublime, and, departing, leave behind us footprints on the sands of time."

Longfellow

To Mr. Robert O. Greer, former principal of the Edison High School (for five fruitful years), we dedicate our 1967-1968 Reflector.

A man of enviable skill and a contagious warmth of personality, Mr. Greer holds the B.A. Degree from the Bluefield State College, the M.A. Degree (with many additional hours toward the doctorate from the Ohio State University). He also had a brilliant military career, having served his nation as a Captain in the Infantry during World War II. The father of three sons, a church man, a civic leader, and a member of Kappa Alpha Psi Fraternity, Mr. Greer has fostered many, cooperative enterprises at Edison during his administration.

In addition to his administrative work, he has served in many advisory capacities to student and faculty organizations. The Reflector Staff appreciates the opportunity to honor Mr. Greer.

The 1967-68 Edison Blazer basketball team proved to be the deciding factor in the three way tie in the Calumet Conference. With Lowell leading the rest of the conference and Edison by a game, the only hopes of any team was for Edison to defeat Lowell, which they did by one point. Edison still playing unconstant ball, lost the last C.C. game to Lake Central putting Edison behind the leaders in fourth place.

Harold Green led the offense in most games.

Thespians

Mr. Lawrence Jacquith, beginning his teaching career at E.H.S., sponsors Thespians. The club is known for its past productions and its sponsoring of the talent show. This year, Thespians attempted to introduce more students to the theater and develop acting and stage managing talents.

At left, Mary Lou Baturoni, president and Marcia Turner, secretary pause to reflect as new ideas were introduced at the meeting.

At left, Alan Casillas, Diane Johnson, Sarah Ford, and Nancy Hrnjak read through parts on a new script.

Below, Alan Casillas, Stanley Pearson, Sandra Hicks enjoy acting out characters as they use props.

A New Principal Emerges

Edison High got its new principal, the Mr. Otha Porter, on March 1 to replace Mr. Robert O. Greer. Our new principal comes to us with a rich and varied background, having served in key administrative positions at Horace Mann, Drew and Pulaski Schools. Edison expects to continue in its fine tradition under the principalship of Mr. Porter, save a few renovations. Under his leadership we anticipate a continual upgrading of our school educational experiences and a revitalization of our school facilities.

The faculty, staff, and student body welcome our new principal.

It is possibl that I might be able to carry my torch to a greate number of youth in the new position.

READY TO GROW WITH A GROWING COMPANY?

AN OPPORTUNITY TO SERVE

An opportunity to serve awaits industrious young men and women at Northern Indiana Public Service Company. As one of the top gas and electric distribution utilities in the United States, NIPSCO is constantly looking for new processes and methods of efficient operation. These include atomic power generation, extra high voltage transmission, underground electric distribution, computerized system planning, underground storage of natural gas, community analyses and electronic data processing.

IN AN ATMOSPHERE OF GROWTH

NIPSCO is one of the highest-paying utilities in the State of Indiana. Its attractive employee benefit package—tuition refund plan, vacations, holidays, life insurance, comprehensive medical insurance, pensions, etc. —provides an atmosphere for individual growth. Fifteen leading colleges and universities are stategically located throughout its service area with others available in the greater Chicago area. Drop in. We'll be glad to talk jobs with you.

NORTHERN INDIANA PUBLIC SERVICE COMPANY

To a nice girl who I haven't known too long. Good luck always in your coming years.

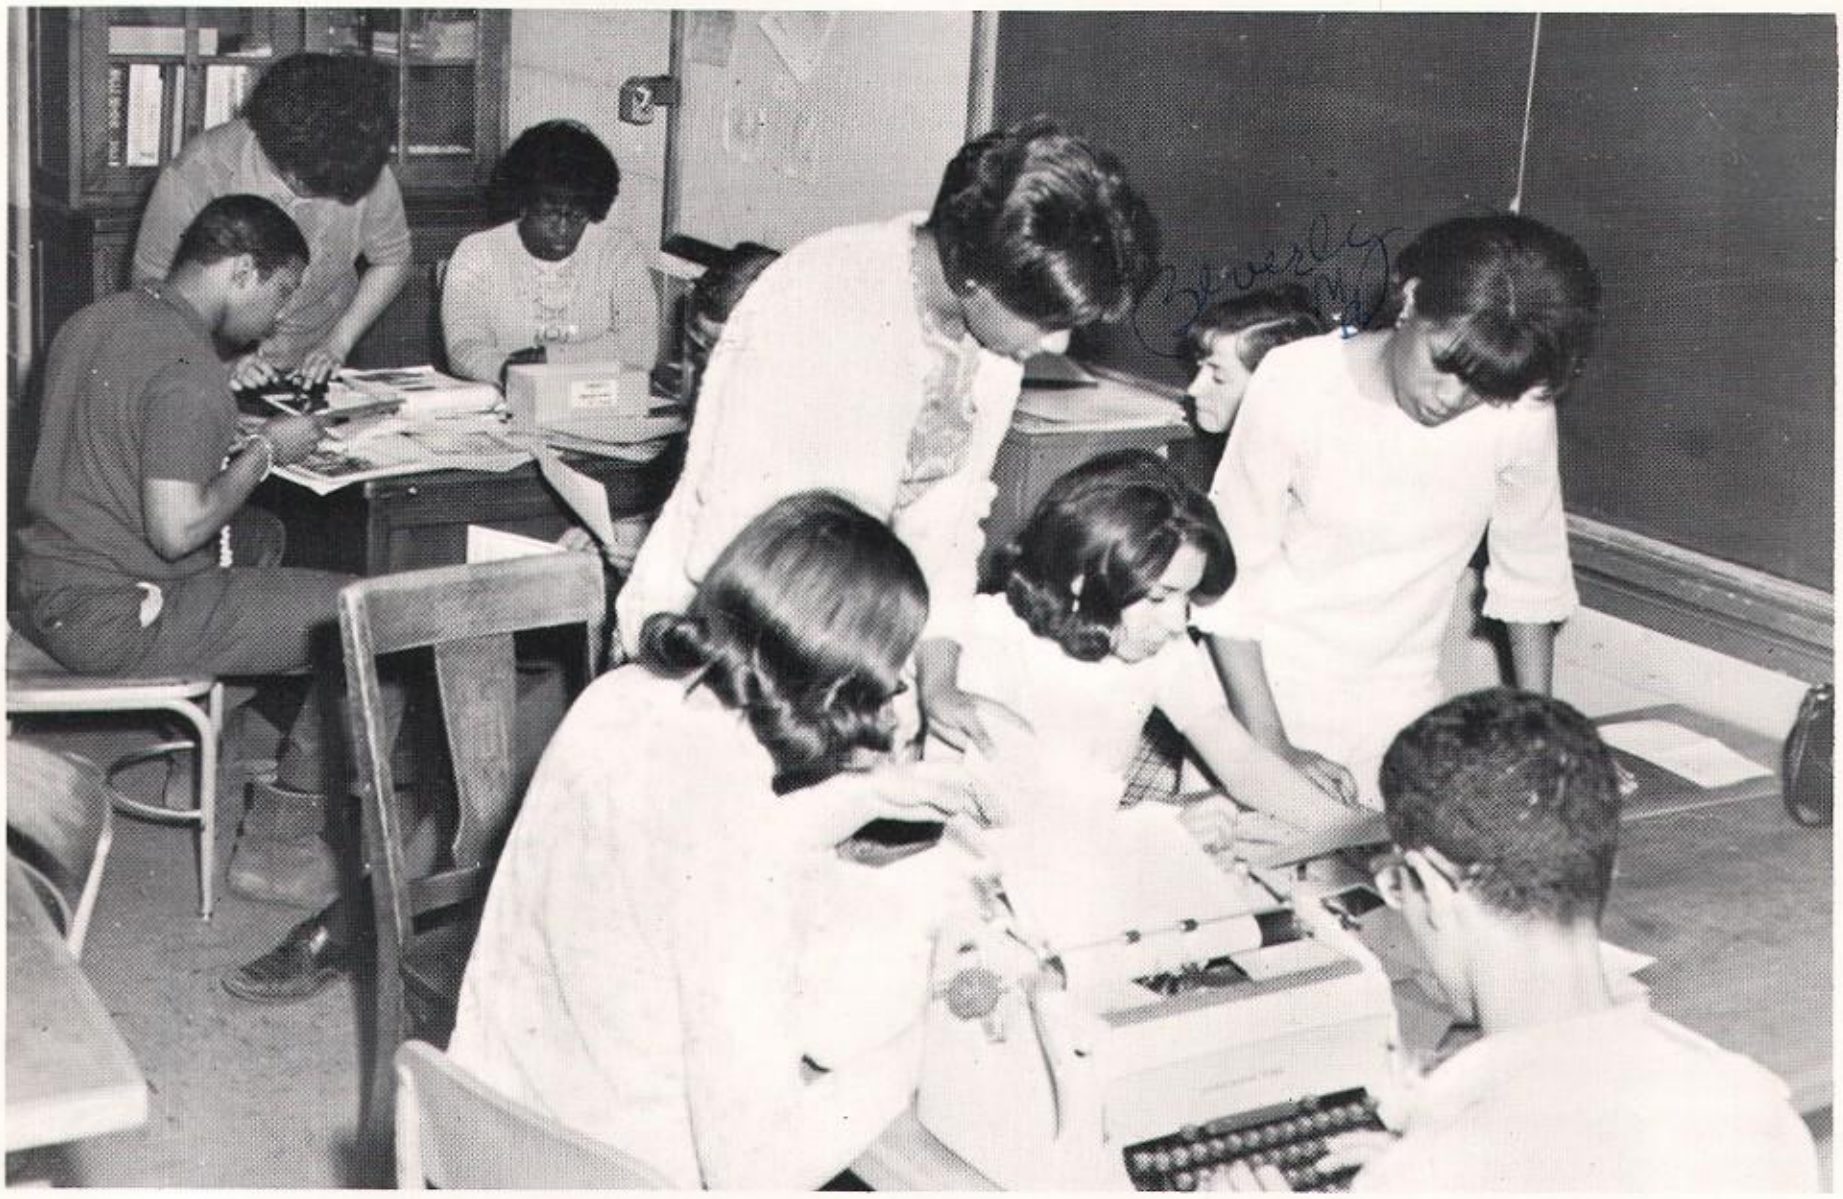
It Finally Terminated, Our Biggest Job



It finally arrived—that end for which the beginning was started. All of us, including our sponsor, Mr. Whittaker, had our days and weeks of frustration in the completion of this, our 1967-68 Reflector. Now that the thousands of pictures have been properly placed, the innumerable lines of type completed, our hearts nerve, and sinew sigh a feeling of relief. As this end is not a termination in itself, we of the Reflector Staff gratefully express our thanks to all those nice people that cooperated with us in making this part of our work a success.
